

Perfected Raw Productions remains the owner of all musical compositions. Upon purchase, you automatically become bound to the terms of the License Agreement. Terms and Conditions are as follows:

Standard Lease / Non-Exclusive License

- The Standard lease includes an encoded MP3 and/or Wav file of the untagged beat; upon confirmation of payment, the song file(s) will be provided via a download page. Standard Lease allows you to use the beat (or song) for ONE commercial recording or broadcast. This recording can then be distributed at your price for up to 2,000 copies

Note: Selling more than 2,000 copies means you must acquire a new lease or exclusive rights.

- The non-exclusive license grants rights only to the original end-user of the product (Licensee/Buyer) they are NOT transferable. Perfected Raw Productions will not receive a royalty from the sale of records or downloads. You must however give full credit to the producer and/or artist name mentioned in the ZIP file package you received wherever appropriate or relevant, including on all commercial recordings. Music used for demos or albums without giving credits is NOT permitted under this license. Failure to give credit will result in serious legal action.

- It is specifically understood and agreed that Licensee does not acquire any ownership rights or any underlying copyrights, and that Licensor retains all rights, title and interest in the music obtained from Perfected Raw Productions, including all copyrights belonging to the original copyright holder, as well as any modifications or improvements made to the licensed property by Licensee.

- The License expressly FORBIDS resale or other distribution of Perfected Raw Productions compositions, either as they exist OR any modification thereof. You CANNOT sell, loan, rent, lease, assign, or transfer all OR any of the products sold under Perfected Raw to another user, or for use in any competitive product.

- This document serves as the standing agreement between you and Perfected Raw Productions. Upon purchasing leasing rights, the seller still owns the beat(s) and is able to resell the beat(s) to any other party until exclusive rights have been purchased. In the event that someone buys exclusive rights to the beat you have leased, your rights shall stand and the beat is still yours to use as permitted the License Agreement.
